Dear Community Member,

The City of Whittier was recently awarded a grant by the Home for Good Funders Collaborative in partnership with the Los Angeles County Homeless Initiative to develop a Homeless Plan for the city. Three community meetings will be held in March to survey the community to assist with the development of this plan. Each meeting will have the same format.

As part of this process, we invite you to participate in a Community Survey, which will help us prepare for the meetings listed below. Your voice is important to us. Please copy and paste the following survey link in your web browser to access the survey:
