Homeless Health Care Los Angeles has created the 2017 Resource Guide to provide you with a wide range of social services available in Los Angeles County. Our hopes are that you will be able to access information to assist anyone in need. Resources are subject to change and therefore phone numbers and websites have been provided in this guide. Please verify all information in this guide before sharing with clients or others. For resources not provided in this guide please pick up the phone and dial 211, Los Angeles County's Social Service Access Line or visit their website at [www.211la.org](http://www.211la.org).
